

Notice of Decision

Scottish Power Transmission PLC

Electricity Act 1989

Town And Country Planning (Scotland) Act 1997

The Electricity Works (Environmental Impact Assessment)
(Scotland) Regulations 2017

As directed by regulation 23(4) of the Electricity Works (Environmental Impact Assessment) (Scotland) 2017, notice is hereby given that Scottish Power Transmission PLC, a company incorporated under the Companies Acts with company number SC189126, and having its registered office at 320 St Vincent Street, Glasgow, G5 5AD, ("the Company"), has been granted consent by Scottish Ministers to install and keep installed approximately 9.3km of 132 kV overhead line ("OHL") supported by steel lattice towers ("the proposed Development"), referred to in the Application as the Glenmuckloch to Glenglass Reinforcement Project ('GGRP') in the planning authority area of Dumfries and Galloway Council.

Scottish Ministers have also directed, under section 57 (2) of the Town & Country Planning (Scotland) Act 1997, that planning permission is deemed to be granted. Copies of the decision statement and related documentation can be obtained from <https://www.energyconsents.scot> using the ECU reference number: ECU00001998.

Copies of the decision statement and related documentation have been made available to Dumfries and Galloway Planning Authority to be made available for public inspection by being placed on the planning register.
